

PACIFIC LIBRARY PARTNERSHIP CLAIM FORM

California Library Services Act Distribution of Funds for FY 2021/22

Library: Richmond Public Library

Amount of Approved Allocation: \$7,402

I hereby certify that my library will use our CLSA allocation in the way indicated below. I understand that use CLSA funds is defined by law, and that my library's allocation may only be used in the way indicated below. Please indicate how your funds will be spent by placing a checkmark next to the item. Should you plan to allocate funds to more than one category, please indicate that by entering the dollar amount for each item.

- enki (your library can negotiate the price with Califa)
- OverDrive (only for the 20 libraries which are in a shared environment)
- Bibliotheca's CloudLibrary Consorita product
- SimplyE
- Link+
- To purchase software which supports curbside pick-up, for either your primary or one of your primary methods of delivery of material to patrons.
- For three or more libraries to join together and purchase software that supports remote reference, such as ZenDesk.
- Broadband hardware (if you claimed this last year, you may not claim it again unless you contact Carol Frost)
- CENIC telecommunication costs, costs for covering warranties in data center (to be used only by rural libraries - can only be claimed by talking with Carol Frost first)

If you have chosen enki, OverDrive or Bibliotheca, please indicate the estimated number of titles to be purchased, and the estimated circulation of those purchased titles for FY 2021/22.
