### Respondee Comment

USS is unable to meet certain conditions in Document: Exhibit 2 – “Local Employment Program Ordinance”.  
Section 2.56.030 Scope and Goals, item (a):

We are unable to meet the hiring conditions of this exhibit stating we will be required to hire a percentage of Richmond residents for this project for the following reasons:

United Site Services of California, Inc. employs permanent employees to work on several projects. We schedule our permanent employees to each job as we quote and engage with our customers.

Our employees have been vetted through our background screening. In addition, our employees are also trained through our Safety program, using our products.

We will not be subcontracting another agency to work on this project.

United Site Services, Inc. does not have an apprenticeship program. As our scope asserts, we are delivering Portable toilets, and servicing them as per our quote.

USS PW/living wage team does not accommodate monthly progress payment status reports.
