**Vendor** Dalberg

**Question** Page 5 of the RFP lists 'specific areas that the R3F desires to be included in the scope...' with slightly different areas requested by the R3F Core Members and by WCC Care Coalition. Is there any particular reason why these are listed separately and not combined?

**Answer** The Core group and WCC Care Coalition are two separate entities. One list is the desires around the Core group and R3F-specific activities versus activities that would take place around the WCC Care Coalition, a broader 90-member coalition.

**Vendor** Dalberg

**Question** The RFP (under 'Phase 2 - Strategic Planning' activities) calls for a "program feasibility and impact study". Does this refer to the impact of R3F's past/ongoing activities or its potential/proposed future activities?

**Answer** The feasibility and impact study referenced refers to R3F's future programming activities and implementation.

**Vendor** Dalberg

**Question** Beyond the initial \$1.4 million in funds raised, have additional funding sources for R3F (and especially the UBI pilot) been identified? To what extent will the Advisor be requested to help identify funding sources?

**Answer** There have been additional sources identified and fundraising is currently underway. The objective of the strategic plan is to identify the feasibility, cost, and sustainability of the work. Identification of funding options/sources is not required, but a beneficial component of the strategic plan.
