Description

Scope of Services	The proposed Community Crisis Response Program (CCRP) intends to provide a community response that is non-law enforcement to address non-violent/non-felony mental health crises in Richmond. CCRP was modeled in part on Crisis Assistance Helping Out on The Streets (CAHOOTS), developed in Eugene, Oregon and tailored to meet the needs of Richmond residents through a nine-month feasibility process that engaged community and government partners with relevant expertise. The city’s goal of supporting community safety and addressing community trauma through community-based alternatives aligns with the proposed model of crisis response for mental health.
Other Details	All questions must be submitted via the electronic BidsOnline system on the Q&A tab by 5:00 PM PST, Wednesday, May 4, 2022. Notification of answers to questions received by that date will be provided via BidsOnline by Friday, May 6, 2022.
