Complete the following checklist

A specific contractor is the only source of the required item because (check all that apply):

- ☐ The required items are **proprietary to the Contractor**, and contractor solely transacts (sells) direct to the customer. (There are no dealers or distributors for contractor).
- ☐ The required items are **proprietary to the Contractor**, and **contractor does not sell direct to the customer**. Contractor solely distributes the item or service through only one dealer or distributor in the United States. (There are no dealers or distributors for contractor).

Note: If item or service is available from more than one source, the item or service may be treated as proprietary, but must be competitively solicited from multiple (two or more) sources.

- ☐ A specific item is needed:
 - ☐ To be compatible or interchangeable with existing hardware
 - ☐ As spare or replacement hardware ☐ For the repair or modification of existing hardware
- ☐ Federal or state grant names vendor as condition of funding. (Attach copy of grant that names vendor)
- ☒ There is a **substantial risk** in contracting with any other contractor, (e.g., only one contractor has been successful to date in implementing a difficult manufacturing process or the **services sought**). *In a brief explanation, provide supporting evidence of why other contractors are considered to be unable to overcome the substantial risk.*

Public Safety Family Counseling Group (PSFCG) offers 24 hours a day, 7 days a week direct response and support in the event of a crisis. This is crucial to the mental health of police personnel in the event a critical incident occurs. It is of the utmost importance to ensure the well-being of police personnel to have professionals support them timely in the event of a critical incident.

- ☐ **Continuation of prior Work** – Additional item, service or work required, but not known to have been needed when the original order was placed with vendor, and it is not feasible or practicable to contract separately for the additional need. *Provide brief explanation and supporting evidence.*

I acknowledge the City's requirements for soliciting competitive quotes/bids for purchases over \$3,000.00 and the criteria for justification for Sole Source purchases. I have gathered the required information, have made a concerted effort to review comparable/equal equipment/services (e.g., market research), and further affirm that there is no conflict of interest involved in the selection made.

PROCEDURE

Sole Source purchase/service are exceptions to the normal bidding process and require a detailed justification. In processing Sole Source requests for supplies, services and/or equipment, the Purchasing Division adheres to and is governed by the principles set forth in City of Richmond Municipal Code Section 2.52.326 Sole Source Procurement.

If you are requesting a particular vendor, brand or product, you must make this fact clear on your Sole Source form. Your request will then be restrictive and non-competitive, and will fall into a sole source category. If the sole source justification is approved, the requisition can be expedited without the normal bidding requirements.

Such a request should not be made unless you are confident that your request is reasonable and appropriately justified to meet the City's requirements and withstand any possible audit. The City's requirements and the format for submitting such requests are contained herein. Sole Source form must be signed by authorized department representative(s). The certification will remain on file for audit purposes.

The following factors **DO NOT** apply to sole source requests and should not be included in your sole source justification. They will not be considered and only tend to confuse the evaluation process.

1. Personal preference for product or vendor.
2. Cost, vendor performance, and local service (these are generally considered award factors in competitive bidding).
3. Features which exceed the minimum department requirements.
