Bids to Owner's Agent	

Description

Scope of Services	The Richmond Police Department is currently seeking bids for service weapon package. RPD has tested and evaluated options and found that the options listed in the "Line Items Tab" will fit the largest group of officers. No substitutions will be accepted at this time. Must be the exact item. We are allowing bids on a partial package (but in full quantities of 100 for each item) as long as another vendor can supply the other items for a total cost less than the cost one vendor can supply the entire package.. You can bid on a piece of the package as well, i.e. bid on the 100 Smith & Wesson M&P 2.0 chambered in 9mm Parabellum (Material Number 13353), or 100 SAFARILAND LEVEL 3 MID-RIDE 6TS-RDS with BASKETWEAVE FINISH. The City reserves the right to make one award or multiple awards under this RFP, whichever is deemed to be in its best interest. The City also reserves the right to make partial or full award of the services described below.
Other Details	Low bidder must be able to deliver product within 90 days of approved purchase order receipt. If low bidder cannot meet the delivery date, the City of Richmond reserves the right to select the next lowest bidder.
