OCCUPATION: Community Organizer and Communications   EMAIL ADDRESS: ████████████

HOW LONG HAVE YOU BEEN A RESIDENT OF THE CITY OF RICHMOND: 16 years

PLACE OF EMPLOYMENT: ████████████

REASONS FOR INTEREST IN APPOINTMENT:
I am a community organizer with a deep passion for art, firmly believing in its transformative power to enhance the safety and well-being of our communities. Art is a vital part in representation, advocacy and public safety. I'm eager to bring my fresh perspective to RACC as a young organizer with a passion for both community and art. My work in Richmond has given me insight into what our community needs in terms of arts and culture, and I'm excited to contribute that knowledge.

FRATERNAL AND/OR CIVIC ORGANIZATIONS:

I am an organizer for Reimagine Richmond, where I handle marketing, storytelling and communications for our organizations messaging and advocacy. I also am a grantwriter and administrator for a local non-profit Things That Creep, which uses live animals and art to bring STEAM education to Richmond.

EDUCATION:

I have two Bachelor's degrees from Sonoma State University: one in Sociology and another in Criminology and Criminal Justice. During my time at Sonoma State, I actively participated in student government, dedicating a significant portion of my efforts to advocating for murals on campus that represented our first-generation students.
