

AGENDA REPORT

Mayor's Office

DATE:	February 25, 2025
TO:	Mayor Martinez and Members of the City Council
FROM:	Mayor Eduardo Martinez
Subject:	Presentation from AC Transit: Macdonald Avenue and Cutting Boulevard Transit Improvement Update
FINANCIAL IMPACT:	None
PREVIOUS COUNCIL ACTION:	None
STATEMENT OF THE ISSUE:	The Macdonald Avenue and Cutting Boulevard Transit Improvement Project will include the design and implementation of transit operations, access and safety improvements along Macdonald Avenue between and including Richmond Parkway and Wilson Avenue. A Traffic Study will be prepared to assess a variety of impacts related to Del Norte BART Station improvement projects and to identify improved operation recommendations for Alameda Contra-Costa Transit District(AC Transit), Golden Gate Transit, Napa Valley TA, Soltrans and WestCat bus services.
RECOMMENDED ACTION:	RECEIVE a presentation by Alameda-Contra Costa Transit District (AC Transit) – Mayor’s Office (Mayor Eduardo Martinez 510-620-6503).

DISCUSSION:

The Macdonald Avenue and Cutting Boulevard Transit Improvement Project will focus on designing and implementing enhancements to transit operations, accessibility, and safety along Macdonald Avenue, spanning from Richmond Parkway to Wilson Avenue.

As part of this effort, a traffic study will be conducted to evaluate potential impacts associated with Del Norte BART Station improvement projects. The study will also provide recommendations for optimizing operations for Alameda-Contra Costa Transit District (AC Transit), Golden Gate Transit, Napa Valley Transportation Authority, SolTrans, and WestCAT bus services.
