

# Macdonald Avenue - Cutting Boulevard Transit Improvement Project Update

Richmond City Council

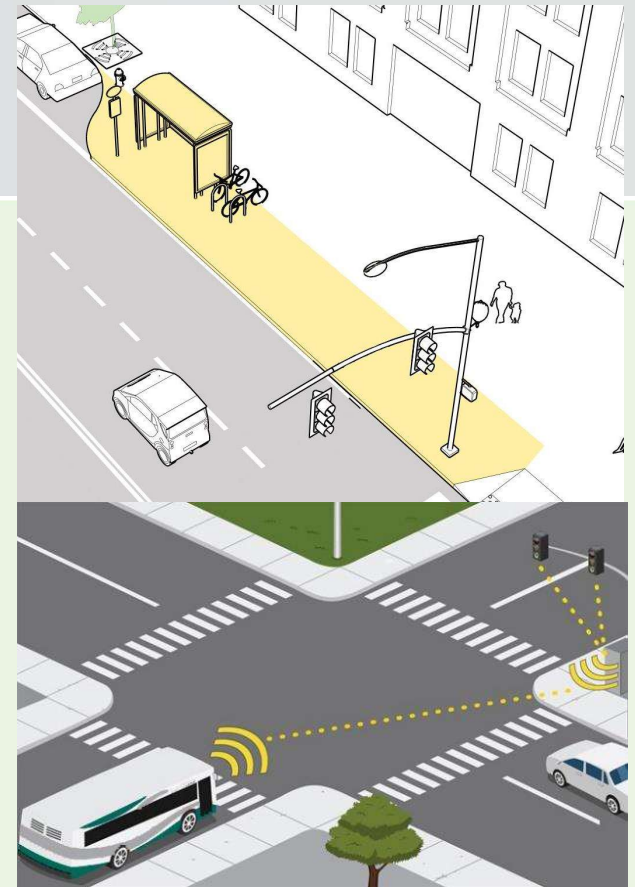

February 25, 2025

# Agenda

- Project Description
- Project Team
- Stakeholders
- Public Outreach
- Schedule
- Next Steps

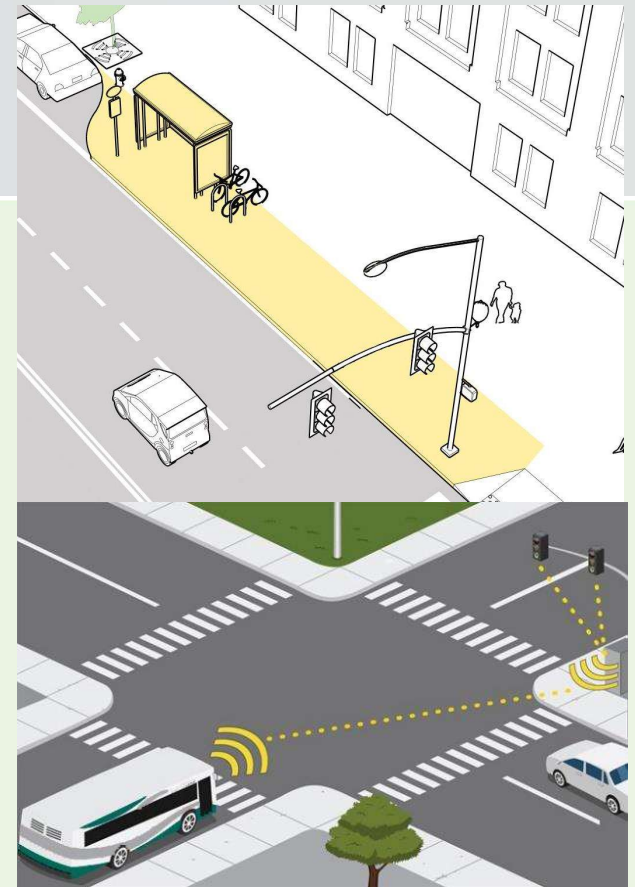

## Project Description

The **Macdonald Avenue Transit Improvement Project** will include the design and implementation of transit operations, access and safety improvements along Macdonald Avenue between and including Richmond Parkway and Wilson Avenue.

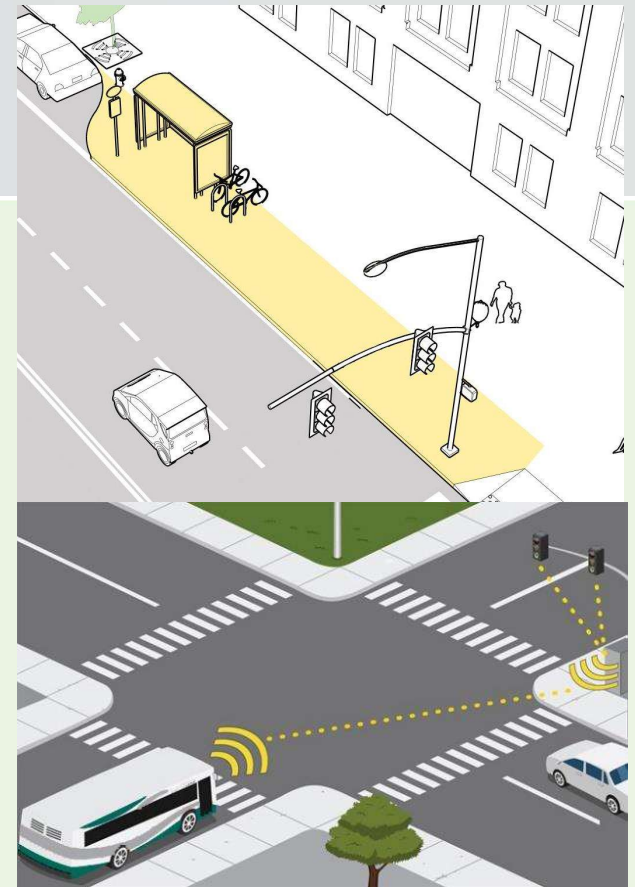

## Project Description

The **Cutting Boulevard Transit Improvement Project** will identify design and implementation of transit operations, access, and safety improvements along the Cutting Boulevard between and including I-580 and I-80.

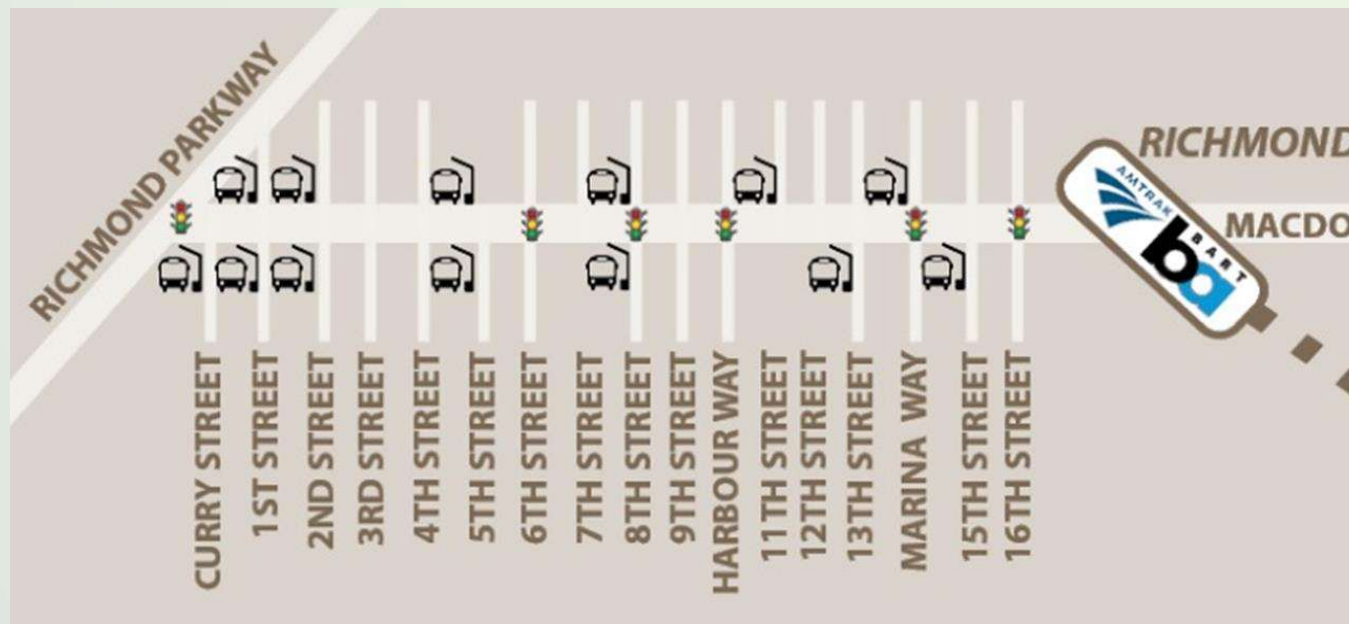

## Project Description

A **Traffic Study** will be prepared to assess a variety of impacts related to Del Norte BART Station improvement projects and to identify improved operation recommendations for AC Transit, Golden Gate Transit, Napa Valley TA, Soltrans and WestCat bus services.
