

City of Richmond – Request for Quotation (RFQ)

Irrigation Supplies, Tools, and Parts

Justification

The City of Richmond Public Works Department requires the purchase and delivery of irrigation supplies, tools, and parts to support ongoing park and landscape maintenance operations. These materials are essential for maintaining and repairing irrigation systems throughout City parks, medians, and landscaped public areas. Competitive bidding ensures cost efficiency, quality standards, and availability of compatible components for the City's irrigation infrastructure.

1. General Requirements

The City of Richmond Public Works Department (Operations & Maintenance – Parks and Landscaping Division) is seeking quotations from qualified vendors for the supply and delivery of irrigation system components, including valves, rotors, nozzles, fittings, solenoids, pipe accessories, adhesives, and other related irrigation parts.

- All materials shall meet industry standards for performance, durability, and safety.
- Pricing shall include delivery to designated City job sites or the Corporation Yard (as coordinated with City staff).
- All products must be new, unused, and in manufacturer's original packaging.
- Substitutions or equivalent parts must be pre-approved by the City prior to order fulfillment.
- Quotations must include all applicable charges, including delivery, fuel surcharges, and offloading fees if applicable.

2. Specifications

Irrigation supply items and components to be provided shall follow the schedule below (or approved equivalent).
