Re: City of Richmond – Proposal for Cannabis-Related Consulting Services

Dear Thomas:

SCI Consulting Group ("SCI") is pleased to submit this proposal for cannabis-related services to the City of Richmond ("City") to assist the City with the implementation of Richmond's Cannabis Equity Program. SCI proposes to provide the complete suite of services necessary for a successful local cannabis program implementation, as fully described in our Scope of Work:

- I. Cost Recovery Analysis
- II. Ordinance Amendments
- III. Equity Application and Scoring Criteria

SCI is one of California's top local cannabis policy consulting firms. We have broad and direct experience working with the City of Richmond and other municipalities providing all the services supporting regulated local cannabis businesses. We are currently providing similar cannabis-related equity services to the Cities of Richmond, Palm Springs, and Stockton and are being considered for these services by several other municipalities.

We believe our expert knowledge of the cannabis industry, coupled with our previous experience and knowledge working with the City of Richmond providing cannabis-related services, will serve the City of Richmond well. We look forward to this opportunity in assisting the City with this important project and stand ready to proceed. If you have any questions or require additional information, please do not hesitate to contact me. I can be reached at (707) 430-4300 or via e-mail at john.bliss@sci-cg.com.

Sincerely,

John Bliss, P.E.
President

Background and Qualifications

SCI provides cannabis-related advice and broad consulting services to a variety of public agencies in California, including community support analysis, ordinance development, fee studies, taxation, implementation, application process development, application review and scoring, monitoring and compliance, business tax auditing, community outreach and engagement, and social equity consulting.

Our core philosophy and approach towards the implementation of local cannabis policy is more broadly balanced than that of our competitors. Our philosophy comes from our genesis as a solution-based engineering firm that has evolved and developed in-house expertise in public policy, community outreach and social equity. Although our quantitative and regulatory rigor, and attention to detail, are unsurpassed, we balance this with realistic approaches to a real-world challenge, fully understanding and supporting the City's challenging transition into a regulated and legal cannabis business arena. Hence, SCI balances enforcement of local and State code along with the need to support viable cannabis businesses and to shepherd non-compliant businesses into a safe and regulated environment.

We were perhaps the very first consulting firm to provide a full suite of local cannabis policy implementation services to California municipalities and developed the "6 Key Elements of Cannabis Implementation" approach that is the standard today:

1. Community Research and Outreach (Meetings & Surveys)
2. Health and Safety & Land Use Regulations (Ordinance(s))
3. Full Cost Recovery (Regulatory Fees)
4. Revenue (Taxation Ballot Measures)
5. Local Industry Selections (Application and Selection Process)
6. Monitoring and Compliance (Inspections and Audits)

And more recently, we have added, and become a state leader in:

7. Social Equity (We are currently providing these services to the Cities of Richmond, Palm Springs, and Stockton).

Project Team

Below is a brief description of the proposed team for this project: Kyle Tankard and John Bliss. Kyle will serve as project manager and day-to-day contact.

John Bliss M.Eng., P.E.,

President

John Bliss, a professional engineer and President of SCI, specializes in local cannabis policy, and special revenue consulting. He was instrumental in developing the now-standard implementation process used by most municipalities in California to implement local cannabis policy. Mr. Bliss has had an extensive career developing and implementing equity, diversity and inclusion policy reaching back almost 30 years to the ground-breaking implementation for the City of San Francisco public works construction employment following the Rodney King uprising in 1991. He is a graduate of Brown University with a

Bachelor of Science Degree in Engineering. He holds a master's degree in Civil Engineering from The University of California, Berkeley, where he was a Regent's Scholar. Mr. Bliss is a licensed Professional Civil Engineer in the State of California and is a LEED accredited professional.

Kyle Tankard**Senior Consultant – Cannabis Business Leader**

Kyle Tankard serves as the Cannabis Business Leader at SCI providing local cannabis policy expertise in California since 2016. He plays a diverse role, assisting municipalities with all aspects of local cannabis implementation, including regulatory development, taxation policy and cost recovery, cannabis compliance, application review, and cannabis-related public education, equity, and outreach. Mr. Tankard has successfully developed and implemented multiple local cannabis regulatory programs throughout the State, most notably in the Cities of Alameda, Shasta Lake and Richmond. He currently manages a portfolio of over 15 cannabis clients, providing a variety of ongoing cannabis-related services, including application review, plan checks, compliance inspections, and equity analysis and program development. He is a graduate of University of California, Santa Cruz.

Proposed Scope of Work

(Task 1) – Cost Recovery Analysis

SCI will conduct a cost recovery analysis to review and update the City's existing cannabis fee structure to ensure full cost recovery for expenses incurred by the City related to each step of the cannabis application, permitting, and regulatory process. The goal is to establish a reliable, robust cannabis fee structure that is supported by the community and the local cannabis industry, is Proposition 26 justifiable, and adheres to all State and local regulations.

Deliverables:

- Develop Cannabis Regulatory Fees
- Prepare Resolution, Staff Report, and Supporting Documentation for Council Adoption

(Task 2) – Ordinance Amendments

SCI will develop an ordinance amending the City's existing municipal code related to commercial cannabis activity to address changes to the City's regulatory process associated with the establishment of the City's Cannabis Equity Program. The ordinance will address changes associated with the number and types of cannabis businesses, location and setback requirements, and the application review and selection process. We will carefully research our work to be compliant with all local and State laws and regulations, and the final ordinance will be reviewed by the City's legal counsel prior to implementation. Finally, we will help shepherd the ordinance through the approval process.

Deliverables:

- Develop Ordinance Amendments
- Prepare Resolution, Staff Report, and Supporting Documentation for Council Adoption
- Attend Council Meetings

(Task 3) – Equity Application and Scoring Criteria

SCI will develop and design a transparent and fair application process for the evaluation, ranking, and selection of cannabis equity applicants. Our goal for this task is to provide the City with a fair model of selection that favors equity, community safety, longevity, and sustainability. We want to ensure that as part of the application process, the applicant is completely familiar with the application process, and understands the potential time and financial investment and the regulatory process. SCI will develop application procedures and guidelines, application forms, and all other required documents.

Deliverables:

- Develop Equity Program Eligibility Application Form
- Develop Competitive Application, Review Process, & Selection Criteria

In all instances where CONTRACTOR or its representatives will provide professional services (*architects, engineers, construction management, counselors, medical professionals, hospitals, clinics, attorneys, consultants, accountants, etc.*) to the City of Richmond (City), the City requires the following MINIMUM insurance requirements and limits.

CONTRACTOR shall procure and maintain for the duration of the contract, agreement, or other order for work, services or supplies, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors. **Maintenance of proper insurance coverage is a material element of the contract. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by the City as a material breach of contract.**

CONTRACTOR agrees that in the event of loss due to any of the perils for which it has agreed to provide Commercial General Liability insurance, CONTRACTOR shall look solely to its insurance for recovery. CONTRACTOR hereby grants to CITY, on behalf of any insurer providing Commercial General Liability insurance to either CONTRACTOR or CITY with respect to the services of CONSULTANT herein, a waiver of any right to subrogation which any such insurer of said CONTRACTOR may acquire against the CITY by virtue of the payment of any loss under such insurance.

Original, signed certificates and original, separate policy endorsements, naming the City as an additional insured for general liability coverage, as well as a waiver of subrogation for Workers' Compensation insurance, shall be received and approved by the City **before any work may begin**. However, failure to do so shall not operate as a waiver of these insurance requirements.

City reserves the right to modify or require additional coverages for specific risk exposures depending on scope of CONTRACTORS work.

Minimum coverage is detailed below. The policy limits of coverage shall be made available to the full limits of the policy. The minimum limits stated herein shall not serve to reduce the policy limits of coverage of CONTRACTOR.

CONTRACTOR agrees to defend and indemnify the City of Richmond for any damage resulting to it from failure of either CONTRACTOR or any subcontractor to take out or maintain the required insurance policies. The fact that insurance is obtained by CONTRACTOR, and/or CONTRACTOR's subcontractors, will not be deemed to release or diminish the liability of CONTRACTOR, including, without limitation, liability under the indemnity provisions of this contract. BUSINESS LIABILITY COVERAGE FORM

- (a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or
- (b) Supervisory, inspection, architectural or engineering activities.

The limits of insurance that apply to additional insureds are described in Section **D. – Limits Of Insurance**.

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E. – Liability And Medical Expenses General Conditions**.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE

1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

2. Aggregate Limits

The most we will pay for:

- a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

3. Each Occurrence Limit

Subject to **2.a.** or **2.b.** above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

4. Personal And Advertising Injury Limit

Subject to **2.b.** above, the most we will pay for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization is the Personal and Advertising Injury Limit shown in the Declarations.

5. Damage To Premises Rented To You Limit

The Damage To Premises Rented To You Limit is the most we will pay under Business Liability Coverage for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, lightning or explosion, while rented to you or temporarily occupied by you with permission of the owner.

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

6. How Limits Apply To Additional Insureds

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

- a. The limits of insurance specified in a written contract, written agreement or permit issued by a state or political subdivision; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3. above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive a written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insured's Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insured's Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs a. and b. apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or an additional insured is a partnership;
- (3) Any manager, if you or an additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;
- (5) Any trustee, if you or an additional insured is a trust; or
- (6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

BUSINESS LIABILITY COVERAGE FORM

This Paragraph **f.** applies separately to you and any additional insured.

3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **A.** – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion **k.** of Section **A.** – Coverages.

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs **(a)** and **(b)** do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1)** The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2)** The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us**a. Transfer Of Rights Of Recovery**

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

F. OPTIONAL ADDITIONAL INSURED COVERAGES

If listed or shown as applicable in the Declarations, one or more of the following Optional Additional Insured Coverages also apply. When any of these Optional Additional Insured Coverages apply, Paragraph 6. (Additional Insureds When Required by Written Contract, Written Agreement or Permit) of Section C., Who Is An Insured, does not apply to the person or organization shown in the Declarations.
