Re: Compliance Memo – Ferry Point Sewer Pump Station Improvement Project

I have completed my review and bid analysis (for contract compliance only) of the Ferry Point Sewer Pump Station Improvement Project. Six bids were submitted for this project.

1. **IBS USA INC.** – Hayward, CA - \$1,469,708
2. **Thompson Builders Corporation**, Novato, CA - \$1,948,000.
3. **McGuire & Hester**, Oakland, CA - \$1,995,000.
4. **Myers & Sons Construction**, Cotati, CA - \$2,355,000.
5. **W.R. Forde Associates**, Richmond, CA - \$2,418,000.
6. **Valentine Corporation**, San Rafael, CA - \$2,597,300.

IBS USA, Inc. is the apparent low bidder. Before award, they will be required to sign a First Source and Compliance Agreement to ensure compliance with the City's local employment ordinance.

Please email me with any questions/concerns.
